AMERICAN RED CROSS LEARN TO SWIM PROGRAM: (5 years of age and older)

Level I: Introduction to Water Skills: This class is for younger children who are having their first experience in the water without a parent. The children will be introduced to entries, breath control, underwater swimming along with floating, gliding, kicking, and arm movements on the front and back and rolling over. The child must be willing to take instruction from someone other than a parent or guardian. If they exhibit separation anxiety in this class we will be moving them back to the Parent-Child "B" Program so you can work with your child together with the instructor to prepare him/her for reintroduction to this level.
