The Lake Forest High School Foundation is excited to announce that we have received a matching gift from a generous benefactor. This donor has agreed to match 50% of each future donation up to \$25,000, for all gifts received through December 31, 2007. For example, if you donate \$500, the Foundation will receive an additional \$250 from this matching gift. Now is the time to join those families who have already contributed, and help us take advantage of this wonderful matching gift opportunity. Please use the donation form located on our website, www.lfhsfoundation.org, and send in your contribution today.
